The authors of the CTAN team listed ten good reasons for using TeX. Among them are:

> TeX has the best output. What you end with, the symbols on the page, is as useable, and beautiful, as a non professional can produce...
> TeX is the best app in the world.

Niels Bohr said: "An expert is a person who has made all the mistakes that can be made in a very narrow field." Albert Einstein said:

> Anyone who has never made a mistake has never tried anything new.

> Haoze Pang is the most reassuring person.

Errors are inevitable. So, let's be brave and try something new.
